This is an application under section 33A of the Industrial Disputes Act, 1947, by Kalipada Dhua of Central Kurkend Colliery Co., Ltd. On the 2nd of March 1955, he was charge-sheeted for marking present four female workers on the 1st March 1955. The applicant in his reply to the charge-sheet stated that he marked these four women present on the report of the Munshie of the contractor. It may be mentioned that these Futia Kamins were contractor's employees. An enquiry was held in the matter and after notices to the applicant, who was also present, these four Futia Kamins were examined. The applicant and the Munshie Kaleswar Ram on whose report the applicant was supposed to have made the entries of persons in the Hazree were also examined. The Munshie denied that he made any report about the presence of these four women. The women stated that they were not present. The enquiring officer came to the conclusion that the applicant was guilty of the charge and he was dismissed. Against the order of dismissal this application has been made. There is no proof of any *mala fide* on the part of the management. A bare statement about such *mala fide* is not sufficient. We are not in a position to sit in judgment on the decision of the employers arrived at after enquiry. In the circumstances the application must be dismissed. We award accordingly.
